

## **Sports Primary Funding**

We received £1,567 sports funding in 2016/17

We use the funding to encourage pupils to participate in a variety of sports that develop new skills, improve self- confidence, encourage team work and promote positive risk taking.

£236 was spent at Kempston Outdoor Centre.

£169.24 was spent on PE equipment for use in both lessons and at lunchtime.

£460 was spent on horse riding. This allows 4 pupils a week (for a block of 7 weeks for each pupil) to go to the riding stables where as well as riding they are doing stage 1 stable management (where appropriate).

£701.76 was put towards the weekly swimming sessions for pupils.
