This plan shows how Greys Education Centre:

- effectively plans for the use of the Primary PE and Sport Premium to ensure progress in Physical Education (PE) and swimming attainment, which forms part of the PE National Curriculum.
- consider the Intent, Implementation and Impact of any spending to ensure that the grant is used effectively and based on pupils' needs.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) which build capacity within the school and will benefit current pupils and those who join in the future.

Total received £11,500

We select the priorities for spending from the aims below:

- increasing engagement of all pupils in regular physical activity and sport
- raising the profile of PE and sport across the school, to support whole school improvement
- offer a broader and more equal experience of a range of sports and physical activities to all pupils
- increase participation in competitive sport

Review of last year's spend and key achievements (2023/2024): Please see digital statement on school website

Key priorities and Planning

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
To provide swimming lessons in addition to statutory requirements.	All pupils are to be offered the opportunity to go swimming (3 half terms a year)	Aim for data that 50% of pupils can swim 25 metres competently by the end of the year. That a further 75 %of pupils can swim 10 metres And the pupils identified as non-swimmers are at least confident in the water and make progress to 5 M.	Pupils develop swimming skills and display confidence in the water. There will be increased opportunities for pupils to build on skills learnt.
